SCHOOL HOLIDAYS JANUARY 2022

The RSAS Roebourne team were out and about on the school holidays helping to motivate children for the return to school 2022. Supporting Yaandina Youth Centre the team transported children to activities, assisted with supervision, hosted a fun science day whereby children made Lava Lamps, tasted Fizzy Oranges and yes on a hot Pilbara day attempted to make snow which then turned into slime. The team also played games such as twister whereby we changed the word for hands and feet to language words.

RSAS team also assisted with the “End of School Holidays Pool Party”.

There were plenty of tired children after swimming and a BBQ Lunch. (story by Kim Gentle)

Making Snow and Slime

Step 1

Step 2

Step 3

- Mix all the ingredients

- Make a mess

- Who cares, we are having fun

Fun for the big
kids too.

Yummy...Lunch
was provided by
Yaandina.....
